Covid 19 Protocols

Please be advised that the organizing committee and Sea to Sky Nordics will be following all Provincial Health orders relating to Covid-19 protocols. Current PHO Orders require all coaches, volunteers and other adult participants to have double vaccinations in order to participate in youth sport.

In addition, BC Cup 1 has a **mandatory double vaccination policy** for all participants (athletes, coaches, volunteers, officials). All participants who are eligible to be vaccinated must provide proof of vaccination upon arrival. Failure to produce your vaccine passport and government ID will forfeit your participation in the event and you will be asked to leave the event. No refunds for athletes will be provided for failure to provide your vaccine passport. Current provincial health orders require all volunteers, coaches and officials to be vaccinated, so we will be requiring proof before entry to the race venue.

Rifle Import Regulations

Teams and individual competitors from outside of Canada must declare their rifles at the Canadian border, complete the necessary documentation, and pay the required fees when bringing rifles and ammunition into Canada. All athletes must register their own rifles and pay the applicable fee. Refer to the [RCMP Firearms Program](#) to obtain a Non-Resident Firearms Declaration.

Rules

International Biathlon Union (IBU) rules and regulations shall apply as fully as possible to all classes. Specific rules for classes not covered in IBU rules contained in the current hosting policies of Biathlon Canada and Biathlon BC shall apply to those classes.

Eligibility to Enter

All competitors must be registered participants with Biathlon BC or an equivalent Provincial or State organization to enter.

Biathlon BC members in good standing are eligible to receive full benefit of results in Biathlon BC programs, such as BC Cup points, team or squad selections. Any member of Biathlon Canada or other IBU Nations in good standing may enter, but will not be eligible for Biathlon BC programs and awards.

Training

The range will be open for official training on **February 11 from 11:00-14:30**. All athletes must have a trail ticket to participate in the official training session. Athletes can purchase discounted trail passes to Whistler Olympic Park (\$16.50 per adult, \$7.90 per youth plus 5% GST) through the Zone4 registration link - [Biathlon BC Cup 1 Registration link](#). Anyone who will be skiing requires a trail pass. Please note that volunteers, officials and coaches are required to register through Zone4, but there is no cost for these tickets. Your name must be on the registration list for entry. We encourage parents and spectators to purchase tickets online ahead of time to speed up the gate entry process if you are not attending the event in an official/volunteer/coach capacity.

2. Competition Information

Entry Fees

\$40 per athlete (\$35 for Novice/Juvenile), per competition. Trail passes for competitions and zone4 processing fees are included with the entry fee.

Dinner/Banquet - CANCELLED Due to Covid restrictions on gatherings. If you purchased tickets for the banquet, we will be refunding those amounts at the end of the event.

Lunch tickets will still be available for purchase through Zone4 for Saturday and Sunday. Lunch will be provided to all volunteers and officials on Saturday and Sunday - another great reason to volunteer! Athletes, coaches and other participants may purchase lunch tickets for \$8.00. Given the distance from the biathlon range to the day lodge and a cross country Coast Cup on the same weekend, we recommend either purchasing lunch, or bringing your own. Limited lunch tickets will be available on the days of competition.

Registration

All individuals who wish to attend, including athletes, coaches, and team support personnel must register in advance. Finalized registrations are due by **February 3, 2022 at 23:59** through [Biathlon BC Cup 1 Registration Link](#). No entries will be accepted after this time.

Entries will be confirmed on **February 11, 2022** at the Team Captains Meeting.

Cancellation Policy

If an athlete withdraws before **February 3, 2022**, a \$15 processing fee will apply before a refund is sent. No refunds will be given after this date. If the event is canceled by the organizers for any reason, full refunds will be provided.

Classes of Competition

The following classes of competition will be run, depending on sufficient entries. Classes with fewer than three registrants may be combined with another class. Age is as of December 31, 2021. An athlete who is 16 may elect to compete in either the Senior Boys/Senior Girls or Youth Men/Women category. This selection must be made when registering and cannot be changed.
